Cash, Check to BAYS, CC via [bayareayouthsingers.org](http://bayareayouthsingers.org)

All profits support the Bay Area Youth Singers vocal music education program, serving boys and girls in the greater Clear Lake/Southeast Houston community for over 10 years.

Our goal is to develop healthy singing voices, music listening and reading skills, a repertoire of varied and excellent choral music, self-confidence, a strong work ethic, and a life long love of music. No singer is turned away due to lack of financial resources; BAYS reduces tuition for 20 percent of it's members.
