

Bay Area Youth Singers 2021-22 Social Media Release Form

Singer/Member Name

The Bay Area Youth Singers post rehearsal and performance pictures on Facebook, in area newspapers and magazines, in our weekly BAYS newsletter, on our website, in concert programs, and on the end-of-year slideshow. Singers' names are not included in these postings unless permission is granted (example: a newsletter feature on a student). Parents are requested to authorize BAYS to use pictures of the BAYS members as described above (with no names displayed) during the 2021-22 concert season.

I authorize the Bay Area Youth Singers to use pictures of my child on social media, in newspapers and magazines, in concert programs, and on the end-of-year slideshow. I understand that the pictures will not include names of the singers pictured.
